We're doubly honored. *Motor Trend* proclaimed the 1994 Dodge Ram "a new standard by which full-size pickups will be judged." And honored it as their "Truck of the Year."

Then, not to be outdone, *Petersen's 4-Wheel & Off-Road* named our new pickup the "4x4 of the Year." And called it a "benchmark in the evolution of 4WD trucks." We couldn't agree more.

After all, Dodge Magnum V-6,* V-8 and Cummins Turbo Diesel engines wrote the book on power. And with our new available Magnum V-10, they're getting two cylinders better. To the tune of 450 lb ft of torque and 300 horsepower.

Ram makes a powerful statement when it comes to safety, too. With a standard driver's airbag† and available four-wheel anti-lock brakes. Along with high-strength steel door beams and a dozen other safety features.

There's no rule that says trucks have to ride like trucks. That's why we gave our new Dodge Ram a new frame and improved suspension travel. We just wouldn't hear of making a noisy pickup, either. Fact is, we worked very

And while Dodge pickups have always been workhorses, now they're a convenient place to conduct business too. With an available fold-down front seat console. And an ingenious optional storage system behind the seats.

Here's one more point to consider: The new Dodge Ram also has more maximum payload than other full-size pickups. Not to mention the terrific amount of weight it carries with the editors of *Motor Trend* and *Petersen's 4 Wheel & Off-Road.*

It is hard to imagine what professional football would be like without the contributions of Lamar Hunt. As the founder and organizer of the American Football League 35 years ago, Hunt changed America's favorite game forever. He is truly responsible for the development, direction and design of the modern-day National Football League.

As the organizer of the Chiefs franchise, Hunt helped provide Kansas City with a team that became the winningest in the 10-year history of the AFL and earned spots in two Super Bowls, as well as the 1969 World Championship. As the founder of the AFL, and a principal negotiator in the merger with the NFL, Hunt helped pave the way for much of the modern growth of pro football. Possibly the greatest tribute to his contributions to pro football is the AFC Championship Trophy that carries his name.

Another indication of Hunt's contributions to the game is that he was the first AFL figure to be honored by enshrinement in the Pro Football Hall of Fame at Canton, Ohio. That high honor was bestowed on him in the summer of 1972.

Hunt was later honored by the NFL Alumni Association, receiving the prestigious Leather Helmet Award in 1982, and has subsequently been honored in the Sports Hall of Fames of both Missouri and Texas. In February of last year, he received the Francis J. "Reds" Bagnell Award from the Maxwell Club for "outstanding contribution to the game of football."

In 1960, Hunt helped make pro football history by founding and organizing the AFL, which included his Dallas Texans franchise. After three years, the team moved to Kansas City, where the organization celebrated its 30th year in Mid-America in 1992 and will commemorate its 35th year of existence in 1994.

LAMAR HUNT
Chiefs Founder

Hunt was a chief negotiator in the merger of the AFL and NFL in the late sixties and was one of the principal designers of the playoff format. Hunt is credited with accidentally putting the name "Super Bowl" on the NFL's championship game — the name coming from his children's toy "Super Ball."

A true sportsman, Hunt is involved in several additional entertainment ventures. He is one of the founding investors in the Chicago Bulls, the three-time NBA Champions. He and his family were also involved in the development of the North American Soccer League and World Championship Tennis. Last year, Hunt was inducted into the International Tennis Hall of Fame in Newport, Rhode Island. He previously was inducted into the National Soccer Hall of Fame, and is one of six national board members of the Hall.

Hunt is an active member of the Board of Trustees of the Pro Football Hall of Fame and serves on the NFL Alumni Association's Board of Directors. As President of the American Football Conference, he is a regular member of three prominent NFL committees — Finance, Long Range Planning and Hall of Fame, and has additionally been active as a member of the Board of Directors of the World League of American Football.

Hunt was born August 2, 1932, in El Dorado, Arkansas, and graduated from SMU with a B.S. in geology in 1956. While at SMU, he was a reserve end on the varsity football team. He and his wife, Norma, have four children, Lamar, Jr., Sharron, Clark and Daniel.

CHAIRMAN OF THE BOARD

In 1994, the Kansas City Chiefs began their 35th season as a pro football franchise under the leadership of Jack Steadman, Chairman of the Board.

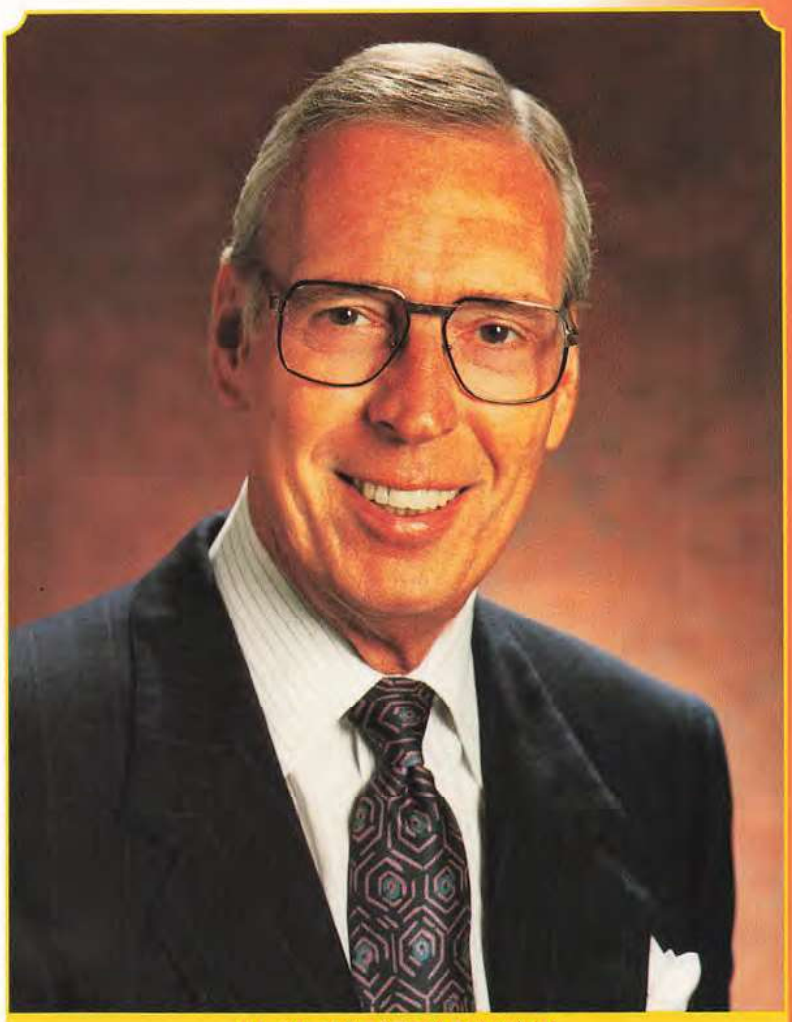
A recognized leader among pro football administrators, Steadman has structured the Chiefs organization to meet the challenge brought about by growth of the business of pro football over the years.

As the Chiefs begin their 32nd season in Kansas City, and their 23rd in magnificent Arrowhead Stadium, Steadman can look with pride at a list of football and administrative accomplishments the organization has achieved since moving from Dallas for the beginning of the 1963 season in the old American Football League.

It was Steadman who conceived the idea of Kansas City building the dual Harry S. Truman Sports Complex, which houses the Chiefs in the 78,000-seat Arrowhead Stadium, and Royals baseball in the 42,000-seat Kauffman Stadium. The complex is recognized as the finest of its kind in the world.

Steadman was promoted from General Manager to Executive Vice President and General Manager in 1966; in August of 1976 he was named President of the Chiefs in charge of all operations; and in 1989 was named Chairman of the Board.

After establishing himself as an innovative, successful businessman with the Kansas City Chiefs Football Club, Steadman joined Lamar Hunt in the development of Worlds of Fun. The 165-acre, family entertainment complex opened in 1973 and drew over 800,000 guests during its first season of operation. After 22 years, Worlds of Fun has grown from 60 rides, shows and attractions to over 115. Over 26 million guests have enjoyed Worlds of Fun since 1973.



JACK W. STEADMAN
Chairman of the Board

In 1982, HME Entertainment, Inc., completed the 60-acre family water recreation park, Oceans of Fun. Located adjacent to Worlds of Fun, Oceans of Fun has hosted over three million guests since its opening.

In addition to serving as Chairman of the Chiefs and Hunt Midwest Enterprises, Inc., which owns Worlds of Fun and Oceans of Fun theme parks, Hunt Midwest Mining, a limestone rock mining company, and Hunt Midwest Real Estate Development Co., an underground and surface real estate development firm in the Kansas City International Foreign-Trade Zone, he also serves on the Board of Directors of Commerce Bank and is the Chairman of the NFL Employees Benefit Committee.

Actively involved within the community since arriving in Kansas City, Steadman is a tireless worker and detailed organizer in many civic and service projects. He is past Chairman, President and Campaign Chairman of the Heart of America United Way, and past President of the Chamber of Commerce of Greater Kansas City. He is a past Chairman and Board Member of the Private Industry Council as well as the Full Employment Council. He serves as a director of the American Royal Association, Starlight Theatre Association, Full Employment Council, and Private Industry Council. Steadman also serves as an Advisory Trustee for Midwest Research Institute and is a member of the Civic Council. In 1988 he was honored by the Chamber of Commerce of Greater Kansas City as the "Kansas Citian of the Year."

Steadman, who was born September 14, 1928, grew up in Warrenville, Ill., and in Dallas. He attended Baylor University and received his B.A. in business administration from Southern Methodist University. Jack and his wife, Martha, who is also involved in a number of civic organizations in Kansas City, live in Mission Hills, Kansas.

CARL PETERSON
President / General Manager and Chief Executive Officer

The Chiefs revitalization the past five years under Carl Peterson's guidance has not been lost on club founder Lamar Hunt. In May of '94, Hunt promoted Peterson to Chief Executive Officer of the team.

"Under Carl's leadership, the Chiefs have achieved a high level of respect as one of the leaders in the NFL," said Hunt. "This respect has been measured in several principal areas, including the development and guidance of a quality organization in every phase — front office, scouting, coaching and team."

Hunt cited improvements in the following key areas under Peterson's leadership:

- Season ticket sales have risen from 26,000 in 1988 to 69,000 in 1994 — the fourth highest in pro sports.
- In-stadium attendance where the Chiefs have attained a position in the top two in the NFL in 1991 and 1993.
- Win-loss percentage where the Chiefs have recorded a winning percentage of 65.6% for regular season during the past four years — the fourth-best record in the NFL.

The past four seasons have been especially productive ones for the Chiefs. The Chiefs are one of just three NFL teams to make the playoffs each of the past four years. Last season the Chiefs won their first division title since '71 and made their first championship game appearance since '69. The team also put together four consecutive 10-win seasons for the first time ever. The Chiefs have dominated division opponents of late, winning 23 of their last 28 AFC West games.

Playoff participation and winning seasons are nothing new to Peterson, who played an integral role in the success of the USFL's Philadelphia/ Baltimore Stars, the Philadelphia Eagles and UCLA. Since he was appointed Player Personnel Director of the Eagles in 1977, the pro teams he has been associated with have a combined record of 138-72-2 (.656). In his last 13 seasons in pro football, his teams have had winning records 12 times and made the playoffs on 11 occasions.

Despite his unquestioned success with the Chiefs, he refuses to sit back and admire his accomplishments.

"I'm leery of anything that gives the impression that this job is finished, that it's time to stop and pat somebody on the back," he stated. "There is no magic wand that suddenly puts us in the Super Bowl. There's a tremendous amount of hard work left."

One area that Peterson has always excelled in is unearthing talent. In his brief tenure with the Chiefs, he, and the club's outstanding scouting department have used the college draft, trades and the free agent market to build the club's talent pool.

Each of the Chiefs last four drafts have produced major contributors: Derrick Thomas (five Pro Bowls), Dale Carter (NFL Defensive Rookie of the Year), Tim Grunhard (four-year starter), Dave Szott (four-year starter), Will Shields (consensus all-rookie), Charles Mincy, Derrick Graham, Darren Mickell, Tim Barnett and Joe Valerio.

A 1993 trade with the San Francisco 49ers brought the Chiefs quarterback Joe Montana, the NFL's all-time leading passer and a three-time Super Bowl MVP, and safety David Whitmore, the Chiefs starting strong safety in 1993. Kansas City also landed 10-year veteran quarterback Steve Bono in a trade with the 49ers this year.

The Chiefs scouting braintrust has also tapped the free agency market to further stockpile talent such as Marcus Allen, Dan Saleaumua, Willie Davis, J.J. Birden, Tracy Simien, Joe Phillips, Tony Casillas, Mark Collins, Keith Cash, Ricky Siglar, Doug Terry, Tim Newton and Kimble Anders.

Peterson has led the Chiefs to many off-the-field successes as well. Season ticket sales have soared to a level last seen in the early 1970s. In 1992, the club cut off season ticket sales at 65,000, and the current season-ticket sales ceiling is 69,000. The team's last 26 games at Arrowhead Stadium have been sold out, and last season, the club averaged 75,778 fans during the regular season, which was second only to Buffalo (78,454).

Under Peterson, the Chiefs have also added new grass practice fields, complete with a prescription drainage system, and a much-needed indoor practice complex that includes 90 yards of omniturf plus

new weight-training facilities, training rehabilitation facilities and locker rooms. In 1994, the Chiefs will play home games on a grass playing surface for the first time since '71, the team's last season at Municipal Stadium.

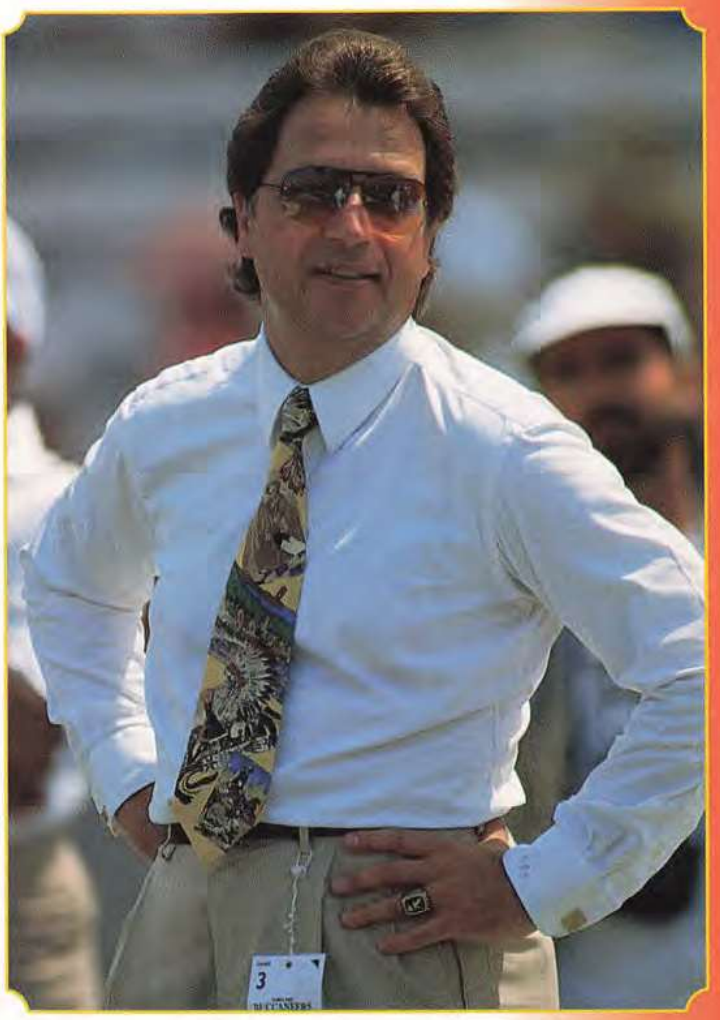
Peterson's reputation as one of football's top executives began in 1977, when he became the Director of Player Personnel for the Philadelphia Eagles. As the man chiefly responsible for the acquisition of talent, he helped take a club which had not produced a winning team in 12 years and transformed it into a playoff participant his final four seasons. The highlight of those four years came in 1980, when the Eagles won the NFC Championship and advanced to Super Bowl XV in January of 1981.

After his rapid success with the Eagles, Peterson was the man selected to build the Philadelphia Stars when the United State Football League (USFL) was launched in July of 1982. As the franchise's President and General Manager, he proceeded to put together the most successful team in the league's three-year existence, capturing the USFL title the final two seasons. The Stars 41-12-1 record during the regular season and 7-1 mark in postseason play were easily the finest of any USFL team. His efforts were rewarded in 1983 and 1984, when he was named *The Sporting News'* "USFL Executive of the Year."

Peterson displayed his knack for discovering and developing young players long before he took over the Chiefs fortunes. With the Eagles, he found Pro Bowl running back Wilbert Montgomery in the sixth round, claimed linebacker Jerry Robinson, the 1979 NFL Rookie of the Year, with the 21st pick of the first round, and stole five-time Pro Bowl receiver Mike Quick with the 20th pick in round one. Several of his acquisitions with the Stars went on to become starters in the NFL. They include linebacker Sam Mills (Saints), center Bart Oates (Giants), tackle Irv Eatman (Chiefs, Jets and Rams), linebacker Mike Johnson (Browns), linebacker George Jamison (Lions), punter Sean Landeta (Giants) and running back Kelvin Bryant (Redskins).

After his tenure in the USFL, Peterson entered private business, serving as President and Chief Executive Officer of *Phillysport* magazine in Philadelphia.

A 1966 graduate of UCLA, Peterson began his coaching career as an assistant at two California high schools, Wilson High in 1966 and Loyola High in 1967-68. He entered the college coaching ranks as an assistant at Cal-State at Sonoma in 1969, then was named head coach in 1970. He spent two years there before returning to his alma mater in 1972. He served as receivers coach at UCLA under Pepper

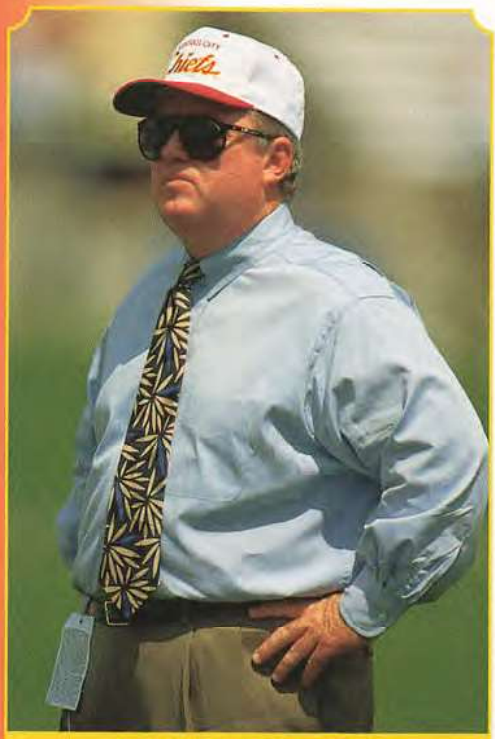


Rodgers for two years, then remained on the staff as receivers coach and administrative assistant when Dick Vermeil became the Bruins head coach in 1974. Peterson stayed with Vermeil for two years at UCLA before the two made their move to the NFL, where he coached the Eagles receivers and tight ends.

Peterson serves on the National Boards for the Maxwell Football Club and Pop Warner Little Scholar Organization. He was recently elected Chairman of the Board of Trustees for Pop Warner. He is also a member of the Kansas City chapter of the Young President's Organization, as well as a member of the international World President's Organization.

The 50-year-old Peterson grew up in Long Beach, California, and attended both the U.S. Military Academy at West Point and UCLA. He earned his Bachelor of Science degree in Kinesiology from UCLA in 1966, a Master's Degree in Kinesiology in 1967 and later received a doctorate in Higher Education from UCLA in 1970.

Carl is single, resides in Kansas City, Missouri, and has one daughter, Dawn, a recent graduate of UCLA.



TIM CONNOLLY
Executive Vice President/
Chief Operating Officer

Under the leadership of Tim Connolly the past five years, the Chiefs have excelled as well off the field as they have on it. Connolly, who assumed his role as Executive Vice President in February of '89 and was promoted to Chief Operating Officer in '94, has initiated several positive changes in the team's front office that have produced extremely favorable results. His intuition and organizational plans have made the Chiefs a "model" pro sport franchise.

Connolly put together a sales and marketing structure that has produced club records for season, group and suite sales. The Chiefs ranked first or second in the NFL in season-ticket increase for three straight seasons and first or second in percentage increase in season tickets for five years before setting a ceiling on season ticket sales. Currently, the Chiefs have in excess of 69,000 season ticket holders, giving the club its largest base since '74.

The 45-year-old Connolly has been instrumental in expanding both the Chiefs radio network and preseason television package, which now serves an ever-increasing fan base in the Midwest. In addition, he was responsible for the recently completed $8.5 million capital expansion program, which included the new Chiefs practice facility, scoreboard systems and sound system.

On the administrative front, the Chiefs are now considered the "leading edge." The recent installation of state-of-the-art computer systems, phone systems, and electronic ticketing systems have moved the Chiefs to the forefront of the NFL in technology and administrative productivity.

Connolly came to Kansas City after serving as President and Chief Executive Officer of two Bell Atlantic subsidiaries: Bell Atlantic Mobile Systems, Bell Atlantic's cellular phone company; and SORBUS Corporation, the largest independent computer maintenance organization in the world.

He began his business career in 1971 at the IBM Corporation, where he served in various sales, staff, and management positions. He graduated from George Washington University with a degree in finance.

Tim and his wife Kathy reside in Overland Park, Kansas, and have three children, Jennifer, Brianne, and John.

DENNIS THUM
Assistant General Manager

Dennis Thum, who has played a major role in the Kansas City Chiefs front office the past 21 years, has been the club's Assistant General Manager since 1989. Thum assists Carl Peterson, the Chiefs President / General Manager and Chief Executive Officer, in overseeing the football side of the Chiefs operation.

The 42-year-old Thum is heavily involved in the preparation of the entire football budget, takes part in the negotiations of all player contracts, monitors the newly-imposed salary cap, and helps service the coaching staff, trainers, equipment personnel and video staff. He is also in charge of training camp operations and coordinates the team's travel.

Thum held the position of Assistant to the General Manager from '84 to '88, and was promoted to his current position shortly after Peterson's arrival in Kansas City five years ago. He served as the club's Director of Accouting in '83 and Chiefs Accountant in '82. A native of St. Louis, Missouri, Thum joined the Chiefs as a staff accountant in '74, the same year he graduated from Rockhurst College in Kansas City.

Born November 14, 1951, Dennis and his wife, Carmen, live in Kansas City, Missouri, with their two daughters, Megan (13) and Lindsay (10).

When Marty Schottenheimer accepted the Kansas City Chiefs head coaching post on January 24, 1989, he said, "the best way to establish a position of excellence in the NFL is to expect it."

In the 17 years before Schottenheimer's arrival in Kansas City, expectations were often high but rarely realized as the club averaged just six wins per season and made one playoff berth. During Schottenheimer's five campaigns with the Chiefs, his teams have averaged 10 wins and advanced to the playoffs on four straight occasions. It is safe to say, the Chiefs now expect to win, and do so often.

"He is, without a doubt, the fiercest competitor I have ever met," said Chiefs President and General Manager Carl Peterson. "His record clearly speaks for itself. When I hired Marty, I knew it would be the best decision I would make in restructuring the Chiefs."

As the Chiefs head coach, Schottenheimer has put together a sparkling regular season record of 50-29-1, good for a franchise-record .632 winning percentage. He has directed the Chiefs to their first division title in 22 years, while guiding five of their seven winning seasons since 1974. This past season he became just the 15th NFL coach to lead one club to four straight 10-win seasons.

Including his four-and-a-half-year stint as the head coach of the Cleveland Browns, Schottenheimer has a regular season mark of 94-56-1, making his winning percentage .626, third-highest among active coaches with four full seasons under their belt (George Seifert, .775, and Don Shula, .681). He has coached eight consecutive teams to winning records and led seven of his nine clubs to a 10-win season. He has been in the playoffs eight of his nine full seasons as a head coach, steering three of those to a conference title game, and is the only NFL coach that has taken his team to the playoffs eight times since 1985. His teams have won four division titles, one in Kansas City, and three in Cleveland, while never finishing worse than second place in any of his nine full seasons.

Under Schottenheimer, Kansas City joins Buffalo and San Francisco as the only three teams to win 10 or more games in each of the past four seasons. Moreover, the Chiefs, Bills and Oilers are the only three NFL clubs to make the playoffs each of the previous four campaigns. Kansas City's 42-22 record since 1990 is fourth-best in the league behind Buffalo (49-15), San Francisco (48-16) and Dallas (43-21).

Two characteristics of the Schottenheimer Chiefs have been particularly evident the past few years: winning within the AFC West and winning at Arrowhead Stadium. The Chiefs have dominated division opponents of late, winning 23 of their last 28 AFC West games. The past three years, the Chiefs and Bills have

an NFL-best 19-5 mark within their own divisions. The Chiefs have posted back-to-back 7-1 records at home, and are 26-6 (.813) at Arrowhead since 1990.

Last season the Chiefs enjoyed their finest season since the 1969 World Championship campaign. The club captured its first division title since 1971 with an 11-5 record and made its first title game appearance since 1969. The Chiefs went 11-5 during the regular season, then produced come-from-behind playoff wins over the Pittsburgh Steelers and red-hot Houston Oilers to earn a trip to their first ever AFC Championship Game. The Chiefs swept the Raiders, Seahawks and Chargers en route to 7-1 AFC West record, the best in team history.

Despite injuries to several key players, the Chiefs battled to a 10-6 record and another playoff berth in 1992. The team showed its true heart in a season-ending 42-20 victory over the Broncos that put the Chiefs into postseason play.

In 1991, the Chiefs won their first playoff game since Super Bowl IV (Jan. 11, 1970) by upending the Los Angeles Raiders, 10-6, in an AFC Wild Card contest. That victory took place at Arrowhead, marking the first ever playoff game in the structure, which was completed in 1972.

In 1990, Schottenheimer directed the Chiefs to an 11-5 record, the club's finest in 21 years. He also led the team to postseason play for just the second time since 1971 and the first time since 1986. In the first-round playoff game, the Chiefs dropped a thrilling 17-16 decision to the Miami Dolphins.

The reversal of the Chiefs fortunes began in 1989, Schottenheimer's first season with the club. That season Kansas City posted an 8-7-1 record and missed a playoff berth by 1/2-game.

Schottenheimer firmly established himself as one of the NFL's best head coaches before venturing to Kansas City. In his four full seasons as the Browns head coach, he produced four playoff berths, three AFC Central titles, two AFC Championship Game appearances and won consensus AFC Coach of the Year honors in 1986.

Schottenheimer embarked upon his first head coaching job at midseason in 1984 when the Browns promoted him from defensive coordinator to head coach as Sam Rutigliano's replacement. He took over a 1-7 team, yet managed to direct the Browns to a 4-4 finish in the season's second half. Three of the four losses were by field goals late in the game.

In 1985, his first full season as a head coach, Schottenheimer guided the Browns to the AFC Central title. The following year, he earned consensus Coach of the Year honors after piloting Cleveland to a 12-4 record, a second straight division crown and a spot in the AFC Championship Game, which the Browns lost to the Denver Broncos, 23-20, in overtime. Cleveland gained a third straight division title in 1987, and for the second consecutive year advanced to the AFC Championship Game, falling to Denver again, 38-33. Despite losing three quarterbacks and several other starters to injury in 1988, he led the Browns to a 10-6 mark and a playoff entry for the fourth year in a row.

Schottenheimer joined the Browns as defensive coordinator in 1980, and molded a powerful defense over the next five years. In 1984 his defense ranked first in the AFC and second to the Chicago Bears in the NFL.

Schottenheimer started his coaching career with the World Football League's Portland Storm in 1974. He opened that season as a player, but a shoulder injury ending his playing career, although he did continue tutoring the team's linebackers. A year later, he joined Bill Arnsparger — the architect of the Miami Dolphins "No-Name Defense" — with the New York Giants as linebackers coach, then was promoted to defensive coordinator at the age of 34 under John McVay in 1977. He then became the Detroit Lions linebackers coach in 1978, staying two years before making the move to Cleveland.

In 1965 Schottenheimer was selected in the fourth round of the NFL draft by the Baltimore Colts and in the seventh round of the AFL draft by the Buffalo Bills. He signed with the Bills and played with the club from 1965-68. He played with the Boston Patriots in 1969-70 before being traded to the Pittsburgh Steelers in 1971. After a training camp stint under Chuck Noll, Pittsburgh traded him back to the Colts, but he retired three weeks later when Baltimore released him. Following his retirement, he worked in real estate in Denver until resurfacing in the WFL.

Schottenheimer was an All-America linebacker at the University of Pittsburgh, where he was recently named to the school's all-time team. He played in the 1965 College All-Star Game at Soldier Field in Chicago (Browns beat All-Stars, 24-16). In that game, he played alongside Dick Butkus, Fred Biletnikoff, Roger Staubach, Bob Hayes and Bill Curry.

Schottenheimer, who now serves on the NFL's prestigious Competition Committee, was an honor student and football/basketball standout at Ft. Cherry High School in McDonald, Pa. He was an All-Western Pennsylvania linebacker and the center on the state championship basketball team. He then began his college career at Pitt, where he earned an English degree.

Schottenheimer is a licensed pilot and flew with the Navy's Blue Angels in February of 1992.

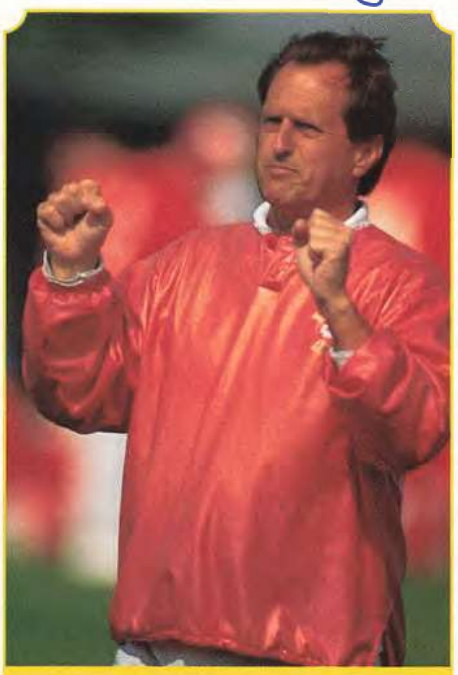
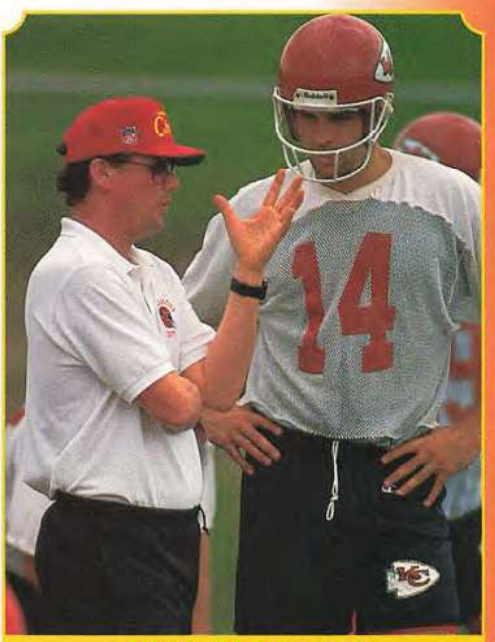
ASSISTANT COACHES



ALEX GIBBS
Offensive Line

During Alex Gibbs' first season as Kansas City's offensive line coach, the Chiefs cut their sacks allowed total down from 48 to 35, while permitting just six sacks the final six games of the season. Gibbs, a 25-year coaching veteran, has spent nine of his 10 seasons as an NFL assistant in the AFC Western Division with the Denver Broncos, Los Angeles Raiders, San Diego Chargers and now the Chiefs. He helped the Broncos make back-to-back Super Bowl appearances, while his lines in San Diego paved the way for the NFL's second-best rushing offense in '91. He was also a very successful college offensive coordinator under Woody Hayes at Ohio State and Pat Dye at Auburn.



PAUL HACKETT
Offensive Coordinator/
Quarterbacks

An exceptional collection of professional and collegiate players owe a substantial portion of their success to Paul Hackett, who joined the Chiefs in '92. Hackett has overseen the development of offensive luminaries like Joe Montana, Marcus Allen, Steve Bartkowski, Charles White and Jerry Rice, and worked under head coaches Bill Walsh, Tom Landry and John Robinson. Last season, the Chiefs generated 31.9 more yards per game than in '92 using his "49ers-style" offense. While coaching the San Francisco 49ers QBs and receivers in '83-85, he played a major role in the developing NFL powerhouse. He spent three years as the head coach at Pitt ('90-92).

MIKE McCARTHY
Offensive Assistant/
Quality Control

AL SAUNDERS
Assistant Head Coach/Receivers

Birden and Willie Davis. He served as the San Diego Chargers head coach from '86-88.

DAVE REDDING

That season, the club blocked an NFL-record six punts, returning two for scores. GAME 1

September 5 at Tampa Stadium
CHIEFS 27, Buccaneers 3

The much anticipated comeback of QB Joe Montana played centerstage during the season opener at Tampa Stadium. The Chiefs new quarterback completed 14 of 21 passes for 246 yards and three touchdowns to lead Kansas City to a 27-3 victory. Montana appeared unfazed by nearly two years of inactivity, completing his first nine passes. After the Bucs took a brief 3-0 lead, Montana manufactured 17 second-quarter points, firing scoring passes to WR Willie Davis (19 yards) and WR J.J. Birden (50 yards). For the half, Montana was a masterful 11-of-15 for 193 yards and two scores. He got his third TD pass of the day midway through the third frame, when he found RB Marcus Allen, who scored his first TD as a Chiefs and the 99th of his career, from 12 yards out, giving Kansas City a 24-3 advantage. Montana would exit the game after that pass to rest a bruised right wrist, suffered one play prior to the TD. Allen was impressive in his debut in red and gold, rushing 13 times for 79 yards (6.1 avg.) to go along with the TD grab. Davis finished with five catches for 61 yards and Birden had three receptions for 82 yards. The Kansas City defense was stifling, limiting Tampa Bay to just 157 total yards and only 25 on the ground. Amazingly, the Bucs converted *none* of their 10 third-down tries, marking the first time since '83 the Chiefs did not allow a third-down conversion. Kansas City's 400 yards of total offense was the most since '91. LB Lonnie Marts led the defense with six tackles, one sack and two forced fumbles.

GAME 2

September 12 at Astrodome
Oilers 30, CHIEFS 0

It was as ugly a game as the Chiefs had played in a long, long time, losing to the Oilers by a score of 30-0. It marked the first time the Chiefs had been blanked in a non-strike game since '85, when the Rams posted a 16-0 victory. Five Kansas City turnovers led to 17 Houston points in a game that was tighter than the score indicated. The Chiefs had possession of the ball with 5:34 left in the third quarter, trailing just 10-0. QB Dave Krieg, who started in place of injured QB Joe Montana (wrist), was intercepted by S Marcus Robertson, who returned the ball to the Kansas City 10-yard line. The Chiefs defense held, forcing a field goal to leave the game within two touchdowns of victory. The Chiefs next drive stalled, and Houston added another field goal with seven minutes left in the game, making the score, 16-0. The Chiefs frantically tried to get back into the game, but turned the ball over two more times, leading to a pair of late Houston TDs and the final 30-0 outcome. The Oilers were limited to just 247 total yards, including a lowly 58 rushing yards (2.0 avg.). Krieg was 15-of-27 for 175 yards with two interceptions. The Chiefs rushed 18 times for just 46 yards. The Chiefs managed just two drives of 25 yards or more, while the average start position was their own 22-yard line; Houston's average starting point was its own 43.

GAME 3

September 20 at Arrowhead
CHIEFS 15, Broncos 7

The fifth-largest crowd (78,453) ever to witness a game at Arrowhead Stadium roared the Chiefs to a 15-7 victory over the Broncos on Monday Night Football. The crowd piled into Arrowhead to see the Chiefs and QB Joe Montana make their first regular season appearance of the year, and the red-and-gold clad faithful even played a role in the outcome. The Broncos were penalized 14 times, including seven times for false starts, which were, in no small way, caused by the deafening crowd noise. The Chiefs were flagged 11 times, making the game the most penalized in franchise history. The Chiefs were unable to get into the end zone, but rode the sure leg of K Nick Lowery to victory. Lowery drilled all five of his field goal tries, including one from 52 yards out, his 20th boot of 50 yards or more. The Chiefs took a 12-0 lead into the intermission on four Lowery kicks. Early in the fourth quarter, the Chiefs drove 84 yards on 12 plays to the Denver two-yard line, where they essentially sealed the victory with a 20-yard Lowery field goal. Denver got its only points of the game with 1:24 left on a two-yard John Elway-to-Vance Johnson TD pass. The Chiefs offense generated 414 total yards, including 160 on the ground. RB Marcus Allen was the workhorse, rushing 17 times for a season-high 91 yards, his highest rushing total in five years. Montana completed 21 of 36 passes for 273 yards, and had three carries for 25 yards. WR Willie Davis was on the receiving end of six passes, good for 139 yards, his fourth career century effort. The game marked the first time the Chiefs limited the Broncos to a touchdown or less since '71.

GAME 4

October 3 at Arrowhead
CHIEFS 24, Raiders 9

The Chiefs opened up a 21-3 halftime lead on the Raiders, and never looked back in a 24-9 victory over their long-time rivals. Although the two teams had almost identical yardage totals (Chiefs-242, Raiders-222), the Chiefs had big first down (26-15) and time-of-possession (35:04-24:56) advantages. The Chiefs, the most penalized team in the NFL at the time, saw that trend reverse itself as the Raiders were flagged 16 times for 168 yards, helping the Chiefs gain nine first downs by penalty. On Kansas City's opening drive, QB Joe Montana completed all five of his pass attempts, including a one-yard TD pass to T Joe Valerio, who was wide open in the end zone. The Chiefs drove 68 yards on eight plays on their next possession, and went up, 14-0, when Montana hit WR Willie Davis for a 15-yard score. The Raiders closed the gap to 11 points on a second-quarter field goal by K Jeff Jaeger. The Chiefs added to their lead when RB Marcus Allen scored on a four-yard run, giving him his 100th career TD, a milestone reached by just eight other NFL players. The TD drive proved to be costly as Montana was forced to leave the game with a hamstring strain suffered at the end of a four-yard run. Backup QB Dave Krieg played well in Montana's absence, leading the Chiefs to three more points without turning the ball over. Raiders WR Raghib Ismail, playing in his first NFL game, made the final score, 24-9, when he found himself on the receiving end of a 43-yard Vince Evans aerial. LB Derrick Thomas blocked the PAT attempt. Montana was seven-of-nine for 68 yards and two TDs, while Krieg hit on five of nine passes for 77 yards. The defense was paced by DE Neil Smith, who had a career-high four sacks, and LB Derrick Thomas, who registered his first two sacks of the year. The two teams established a new NFL record for most combined first downs by penalty with 12.

GAME 5

October 10 at Arrowhead

CHIEFS 17, Bengals 15

The Bengals hardly looked like a winless team when they entered Arrowhead Stadium and pushed the Chiefs to the limit before finally succumbing, 17-15. The Chiefs started very slowly as the offense was on the field for just three first-quarter plays. After the Chiefs fumbled a punt return, the Bengals put together a 14-play, 70-yard drive that resulted in a 23-yard field goal by K Doug Pelfrey. On its next possession, Cincinnati went on a 13-play, 84-yard march that, again, resulted in a Pelfrey field goal. After another Kansas City fumble, Pelfrey added his third trey, making the a count a surprising, 9-0. The Chiefs inched closer on an eight-yard TD pass from QB Dave Krieg, replacing injured QB Joe Montana, to WR Tim Barnett. Pelfrey drilled a 47-yard field goal with five seconds remaining in the half, making the score, 12-7, at the intermission. The Chiefs took their first lead of the game midway through the third quarter when RB Marcus Allen danced his way into the end zone from nine yards out. It was his 101st career TD, tying him with former Seahawk WR Steve Largent for seventh place on the NFL's all-time list. Cincinnati opened the fourth quarter by forging a 16-play, 72-yard march that consumed 8:55 of the period, yet produced just three points. With 5:59 left, the Chiefs took over on their own 33-yard line. On the first play from there, Krieg hit WR J.J. Birden for 28 yards, putting the Chiefs close to K Nick Lowery's field goal range. The drive eventually stalled at the Cincinnati 19, where Lowery nailed the game-winning 37-yard field goal. The Bengals outgained the Chiefs, 277 yards to 203, and held the ball nearly 10 more minutes. The Chiefs offensive star was RB Kimble Anders, who accounted for 103 of the team's 203 total yards. Krieg was 10-of-20 for 140 yards with one TD and no interceptions.

GAME 6

October 17 at Jack Murphy Stadium

CHIEFS 17, Chargers 14

Two of the Chiefs more important off-season acquisitions played major roles in the club's thrilling, 17-14, comeback victory over the Chargers. Trailing, 14-10, with 3:27 left in the contest, QB Joe Montana and RB Marcus Allen helped orchestrate the winning drive in one of the most satisfying wins in recent Chiefs history. On the drive's first play, Montana completed a 22-yard pass to wide-open TE Keith Cash, then got 15 more yards on a roughing-the-passer penalty. After three straight incompletions and staring at fourth-and-10, Montana found WR Willie Davis for 12 yards and a first down. He then hit WR Hassan Jones for 12 more yards. On second-and-10 from the Chargers 19, Allen took a wrap-around draw 18 yards, giving Kansas City a first-and-goal from the one. Allen plowed his way into the end zone on the next play, putting the Chiefs up, 17-14. The defense held and the Chiefs went 5-1 for the first time since '71. The Chiefs opened the day's scoring on a 15-yard TD pass from Montana to Allen in the first quarter. San Diego fought back, knotting the score at seven on a seven-yard run by rookie RB Natrone Means. The Chiefs held a 10-7 lead at halftime on a 37-yard Nick Lowery field goal. The second half was memorable for two scores that didn't happen as Chiefs Pro Bowl DE Neil Smith rejected a pair of John Carney field goal tries, including one with 3:27 left in the game that would have given the Chargers a seven-point spread. The Chargers were able to go up 14-10 on a four-yard TD pass from QB John Friesz to WR Anthony Miller, that was set up by a 54-yard punt return by rookie Darrien Gordon. Montana hit on 21 of 39 passes for a season-high 284 yards with one TD and one INT, and put together the 27th fourth-quarter comeback of his storied career. Allen rushed for 46 yards and a score, while catching three passes for 30 yards and a TD.

October 31 at Joe Robbie Stadium

Dolphins 30, CHIEFS 10

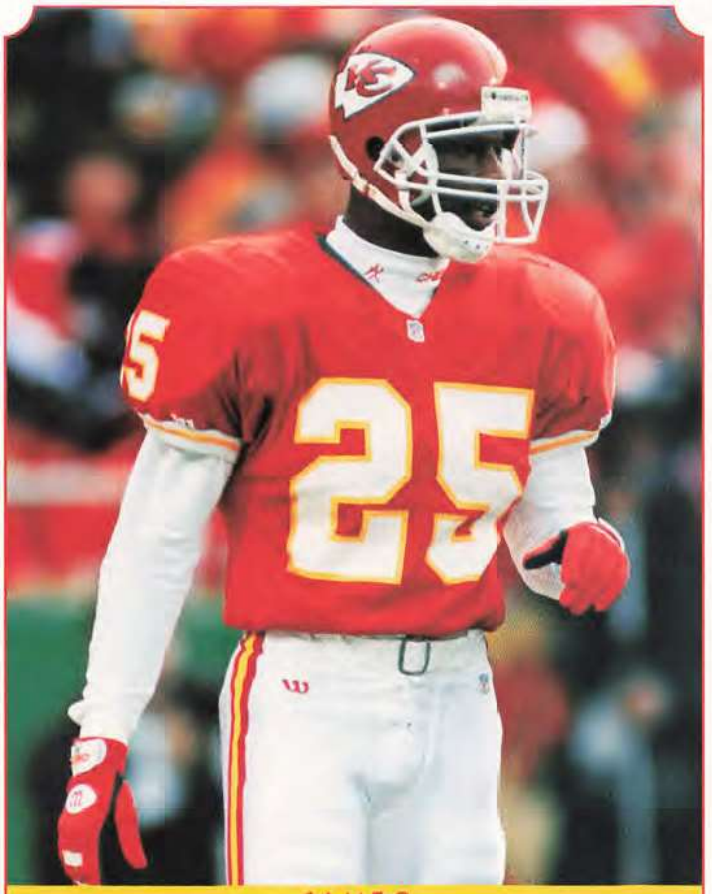
In the 30-10 Miami victory, the Chiefs stumbled on offense, defense and special teams to extinguish a four-game winning streak. Nothing went right for Kansas City in a fitting Halloween scene that saw the Dolphins lead, 27-3, after three quarters. The Chiefs lost two key starters — QB Joe Montana (hamstring) and RB Harvey Williams (concussion) — within a span of six plays late in the second quarter. The Chiefs defense, ranked fourth in the NFL coming into the game, yielded 483 yards, the 10th-most allowed in team history. Miami QB Scott Mitchell, filling in for injured QB Dan Marino, was simply sensational, constantly alluding the Chiefs rush to complete 22 of his 33 passes for 344 yards and three TDs. Miami opened up a 13-0 lead on scoring passes to WR Irving Fryar (27 yards) and RB Keith Byars (eight yards). The Chiefs had a chance to take a big bite out of the lead late in the second quarter, but a crushing hit on Williams, causing a fumble, negated that opportunity. K Nick Lowery drilled a 47-yard field goal to end the half, putting the Chiefs within 10 points. The third quarter opened miserably for Kansas City as Dolphins WR Mark Ingram raced 77 yards for a score on a Mitchell pass just two plays into the new half. The Dolphins added 10 more points on a one-yard run by RB Terry Kirby and a 34-yard field goal by K Pete Stoyanovich. The Chiefs finally got into the end zone with 2:30 remaining in the game on a six-yard TD pass from QB Dave Krieg to TE Keith Cash. The Chiefs were outgained, 483 yards to 305, and held the ball 13:26 less than the Dolphins. Miami forced six fumbles, recovering half of them. Montana was 10-of-17 for 90 yards, while Krieg was 12-of-19 for 126 yards and a TD.

GAME 8

November 8 at Arrowhead

CHIEFS 23, Packers 16

The Chiefs held onto sole possession of first place in the AFC West with a come-from-behind, 23-17, Monday Night victory over the Packers. The Chiefs offense struggled in the first half as the Packers took a 9-3 lead into the intermission. In the first two frames, Green Bay outgained Kansas City, 177 yards to 60, and had nine more first downs. K Nick Lowery, playing in a franchise-record 204th game, opened the scoring with a 23-yard field goal. The Packers drove inside the Chiefs 10-yard line three times in the first half, yet were limited to a pair of K Chris Jacke field goals. LB Derrick Thomas sacked Green Bay QB Brett Favre on a third-and-goal from the two, forcing a fumble that LB Lonnie Marts recovered. The Chiefs defense set the tone early in the second half. On the Packers first play of the third quarter, Thomas again sacked Favre, forcing a fumble that DT Dan Saleaumua scooped up and charged 16 yards for a TD and a 10-9 Chiefs lead. It was a team-record-tying 15th fumble recovery for Saleaumua and his second career TD. The Chiefs tacked on three more points on their next possession as Lowery drilled a 34-yard field goal. Kansas City opened up a 20-9 advantage on a one-yard TD run by RB Marcus Allen, who started in place of injured RB Harvey Williams. The Packers quickly got back within four points as Favre found TE Jackie Harris wide open for a 35-yard TD. Green Bay threatened to take the lead, driving to the Chiefs three-yard line, where Saleaumua rocked RB Darrell Thompson, causing a fumble which landed in the hands of LB Tracy Rogers in the end zone. The Chiefs then got a huge 47-yard run by RB Todd McNair, setting up a 40-yard field goal by Lowery, which made the count, 23-16, in favor of the Chiefs. Kansas City forced a season-high six turnovers, and did not commit any itself. QB Dave Krieg completed 17 of 30 passes for 170 yards, Allen rushed 17 times for 35 yards and a score, and WR J.J. Birden hauled in five passes for 64 yards.



GAME 8

Doug Terry contributed three tackles and a sack in a thrilling, 23-17 win over the Packers.

GAME 9

November 14 at L.A. Memorial Coliseum
CHIEFS 31, Raiders 20

The 31-20 come-from-behind triumph in L.A. was easily one of the most satisfying and rewarding victories of the Marty Schottenheimer era. The Chiefs erased a 17-7 Raiders halftime lead to win the game, giving the club a 7-2 mark and a two-game lead in the AFC West. The Raiders scored on three of their four first-half possessions, pounding out 215 total yards. The Chiefs reversed that trend in the second half, limiting the Raiders to 65 total yards while generating 218 themselves. The Raiders scored on their opening drive as RB Napoleon McCallum made good on a six-play, 57-yard march with a four-yard TD run. Los Angeles drove to the Kansas City four on its next possession, but were denied any points when LB Tracy Rogers drilled McCallum, forcing a fumble which CB Albert Lewis recovered. The Raiders did get seven more points on their next drive as QB Jeff Hostetler found TE Ethan Horton open in the end zone from eight yards out. The Chiefs got back within seven after QB Dave Krieg completed a 15-yard scoring pass to RB Kimble Anders on a textbook, 13-play, 80-yard drive. L.A. K Jeff Jaeger nailed a 35-yard field goal as the half ended, giving the Raiders a 17-7 advantage at the intermission. The Chiefs dominated the third quarter, putting two TDs on the board while forcing the Raiders to punt five times. Midway through the period, RB Marcus Allen broke free on a 39-yard run, his longest since '87, then bulldozed into the familiar end zone from four yards out. Later in the stanza, Krieg found staggeringly wide-open WR Willie Davis for a 66-yard TD on a play-action pass, putting Kansas City in front, 21-17. The Raiders inched within one point on a 30-yard kick by Jaeger with 10:15 left in the game. The Chiefs responded with a 13-play, 68-yard march that consumed 6:18 and consummated with a 29-yard field goal by K Nick Lowery. On the Raiders next play from scrimmage, LB Lonnie Marts picked off a Hostetler aerial, setting the stage for a game-sealing, four-yard TD pass from Krieg to TE Keith Cash. Krieg completed 12 of 27 passes for 178 yards with three TDs and no INTs, and was sacked just once. Davis hauled in five passes for 115 yards and one score. In his return to the Coliseum, Allen had 17 carries for a gratifying 85 yards and a score. The Chiefs rushed for a season-high 164 yards with an average of 4.8 yards per attempt.

GAME 10

November 21 at Arrowhead
Bears 19, CHIEFS 17

The Chiefs lost the field-position battle and consequently the game as the Bears posted a 19-17 upset victory at Arrowhead. The Chiefs average starting field position was their own 16-yard line, while the Bears average start was their own 44, a crucial 28-yard difference in a tight, defensive tussle. The Chiefs opened up a 14-0 lead in the second quarter on a pair of TD runs by RB Marcus Allen. The Bears fought back, getting two field goals by K Kevin Butler in the last 2:17 of the first half, cutting the Chiefs lead to eight points. Chicago inched even closer on its first possession of the new half, when RB Tim Worley dashed around right end for a 25-yard score. The PAT was blocked by CB Dale Carter, making the count, 14-12, in favor of the Chiefs. Kansas City upped the lead to 17-12 on its next drive, which devoured 8:07 of the clock but yielded just three points on a 20-yard Nick Lowery field goal. The Bears got the break they were looking for with 4:29 left in the game. Deep in Chiefs territory, a pass by QB Dave Krieg bounced off the hands of TE Jonathan Hayes and was fielded by Bears CB Jeremy Lincoln, who returned the interception to the four-yard line. Three players later, RB Neal Anderson bulled into the end zone from one-yard out, giving the Bears a 19-17 lead with 3:09 left in the game. The Chiefs were afforded two chances to win the game, but were unable to get past their own 43-yard line. The Chiefs were flagged eight times for 69 yards, with five of those penalties coming on special teams, thereby costing the team valuable field position. Just one of the Chiefs final 11 drives started outside of their own 20-yard line, and that was the final one (started at the 26). The Bears hammered out 190 rushing yards on 42 carries, getting a big rushing performance from QB Jim Harbaugh, who had a team-high 61 yards on seven totes. The Chiefs generated just 252 total yards, including 133 on the ground. QB Dave Krieg, in his third straight start, was pressured all day, suffering five sacks and numerous hurries. He completed 14 of 28 passes for 157 yards with no TDs and one INT. Allen was the top rusher with 78 yards and two TDs on 16 carries.

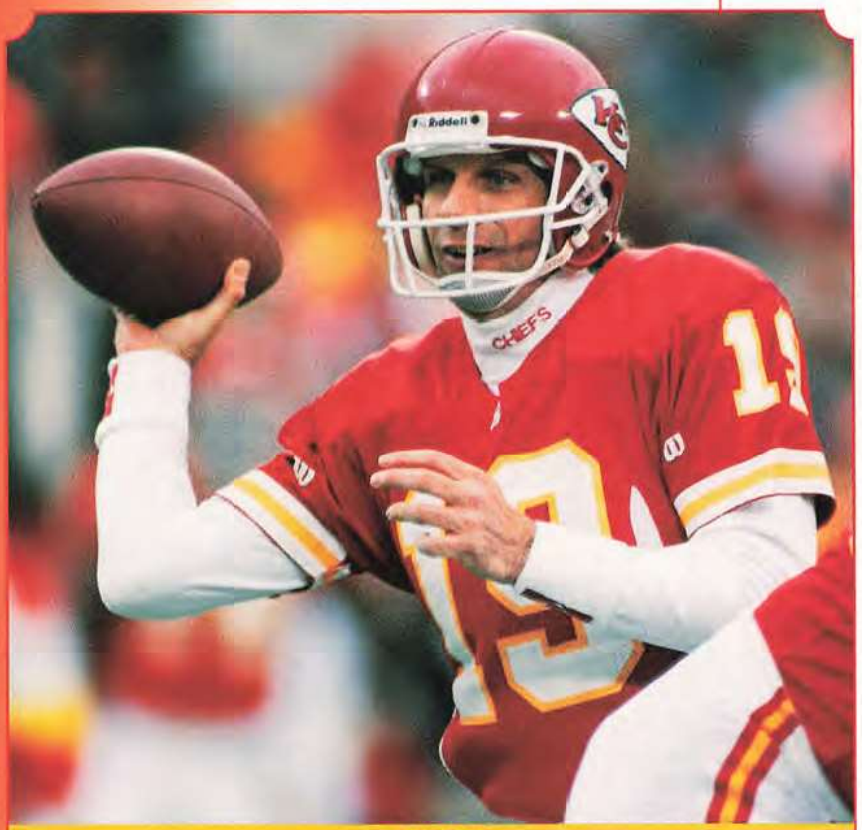
GAME 11

November 28 at Arrowhead

CHIEFS 23, Bills 7

The Chiefs erased the sour memory of a home loss to the Bears by upending the AFC Champion Bills, 23-7, in a lopsided game at Arrowhead. The Chiefs defense was devastating and the offensive was effective, if not spectacular, in a win that kept the Chiefs a game up in the tough AFC West. QB Joe Montana returned to action after missing three games with a hamstring injury, and was accurate on 18 of 32 passes for 208 yards and two TDs. Buffalo QB Jim Kelly was not nearly as productive, primarily because of a raucous Chiefs defense that applied constant pressure. Kelly was sacked four times and tossed three interceptions. The Bills opened the scoring, on a nine-yard run by RB Kenneth Davis, then watched the Chiefs run off 23 straight points. Montana found RB Marcus Allen open on a swing pass that was good for 18 yards and the Chiefs first TD of the day. The Chiefs added a 30-yard field goal from K Nick Lowery on the next possession to take a 10-7 lead. On Kansas City's first drive of the second half, Montana engineered a seven-play, 80-yard march that resulted in a one-yard TD pass to TE Keith Cash. Lowery tacked on three more points at the end of the third quarter, giving the Chiefs a 20-7 advantage. Lowery then added three insurance points on a 34-yard boot with 5:11 left in the contest. The Bills started just one drive outside of their own 25-yard line and gained more than 20 yards on just two of their 13 possessions. Buffalo entered the game averaging 134 rushing yards per outing, but left Arrowhead with a season-low 43 yards on the ground. RB Thurman Thomas, the AFC's leading rusher, was held to 25 yards on 15 totes. Allen led the Chiefs with 74 yards on a season-high 22 attempts. The defense was led by LB Lonnie Marts (10 tackles), S Martin Bayless (10 tackles) and DE Neil Smith (two sacks). The Chiefs offensive line did not allow a sack for the first time in the club's last 30 games.



GAME 11

After being sidelined for three weeks, Joe Montana returned to action as the Chiefs upended the Bills, 23-7.

GAME 12

December 5 at Kingdome

CHIEFS 31, Seahawks 16

The Chiefs turned three Seattle turnovers into 21 points in a 31-16 victory over the Seahawks in the Kingdome. The Seahawks got on the scoreboard first with a 22-yard field from K John Kasay on their opening possession. The Chiefs answered with an eight-play, 78-yard trek that culminated in a one-yard TD run by RB Marcus Allen. On its following possession, Kansas City added three more points on a 47-yard field goal by K Nick Lowery, making the score, 10-3, at the end of the first quarter. The game's momentum-changer came early in the second quarter, when DE Darren Mickell pulled down scrambling rookie QB Rick Mirer for his first career sack, forcing a fumble that LB Derrick Thomas retrieved and took 86 yards for a score. The Seahawks closed the gap to 17-6 on a 26-yard Kasay boot midway through the second frame. CB Albert Lewis picked off a Mirer pass on the Seahawks first play of the second half, setting the stage for Allen's second TD, another one-yard run. Lewis prompted another turnover the next time Seattle had the ball, stripping WR Kelvin Martin. Two plays later, Allen jetted into the end zone from 30 yards out, giving the revived running back his sixth career game with three TDs or more. The Seahawks added 10 token points late in the game, making the final count, 31-16. Seattle outgained Kansas City, 365 yards to 337, but turned the ball over four times. Allen finished the game with 12 carries for 73 yards and three TDs. QB Joe Montana hit on 20 of 30 throws for 239 yards. Montana was sacked just once, and that came when he tripped, untouched, dropping back to pass.

GAME 13

Broncos 27, CHIEFS 21

The Chiefs were unable to stop QB John Elway and the Broncos on crucial third-down plays in the second half as Denver posted a 27-21 victory in one of the NFL's most exciting games of the season. Elway tossed each of his three TD passes on third down, hitting Pro Bowl TE Shannon Sharpe from nine, 14 and six yards out. In the second half, Denver converted eight of 11 third downs, while Kansas City was oh-for-three. By keeping drives alive, the Broncos held huge second-half margins in plays (43-23) and time of possession (20:49-9:11). The Chiefs led 14-3 midway through the second quarter and were in good position to make the tally, 21-3. On the Chiefs first possession, QB Joe Montana fired an 11-yard TD pass to TE Jonathan Hayes. The Broncos cut the lead to 7-3 on a 36-yard field goal by K Jason Elam. RB Marcus Allen made the score, 14-3, on his 14th TD of the year, a four-yard run. Two plays later, S Charles Mincy intercepted an Elway pass, giving Kansas City the ball at the Denver 30-yard line. The Chiefs were forced to try a 44-yard field goal after failing to get a first down, but K Nick Lowery's attempt sailed wide left. The Broncos put together an important 11-play, 74-yard scoring drive to end the half, slicing the lead to four points on the first of three Elway-to-Sharpe TD passes. Denver took its first lead of the contest on the first possession of the third quarter when Elway again found Sharpe for a TD on third-and-goal from the K.C. 14. The Chiefs were able to make good on a second Elway interception, a pass that was tipped by S Martin Bayless and caught by CB Albert Lewis. Montana lofted a beautiful 29-yard TD spiral to WR Willie Davis, giving the Chiefs a 21-17 lead 12:01 into the third frame. The momentum changed early in the fourth quarter, when RB Reggie Rivers blocked a punt by P Bryan Barker, giving the Broncos the ball at the Chiefs 11-yard line. Denver added 10 more points on its next two possessions, making the final score, 27-21. Montana was 17-of-30 for 237 yards with two TDs and one INT, while Elway was 20-of-30 for 221 yards with three TDs and two INTs. Sharpe hauled in 10 passes for 65 yards and three scores.

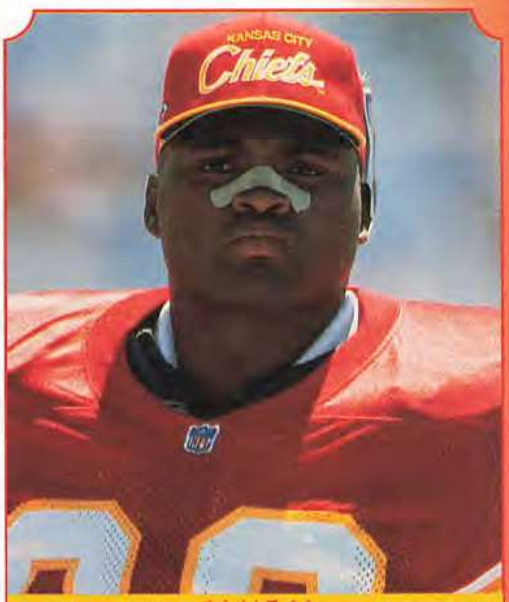
CHIEFS 28, Chargers 24

Kansas City's 28-24, gut-check win over San Diego had all the early signs of disaster. The Chargers already held a 10-0 lead just 3:47 into the contest. The Chiefs first five offensive plays produced an interception, incomplete pass, lost fumble, one-yard gain and a sack. The Chargers added insult to injury with a touchdown on the first play of the second quarter, making the count, 17-0, in favor of the visitors. The Chiefs immediately fought back as QB Joe Montana piloted a 14-play, 77-yard march that resulted in a trademark, one-yard plunge by RB Marcus Allen, his 15th score of the season. The key play in the drive was a 17-yard scramble by Montana on third-and-15. The Chiefs then forced a punt and put together another scoring drive as a nine-yard Montana-to-Willie Davis TD pass cut the Chargers lead to 17-14 at the intermission. The Chiefs got their first big break midway through the third period when LB Lonnie Marts forced a fumble on a punt and TE Keith Cash made the recovery at San Diego's 20-yard line. Five plays later, Montana fired a four-yard TD pass to WR J.J. Birden, putting Kansas City on top, 21-17. Montana exited the game with a minor concussion, turning the Chiefs offense over to QB Dave Krieg, who found a streaking Davis open for a 28-yard TD as the Chiefs scored the last of 28 straight points. The Chargers cut the lead to four points on a two-yard TD run by RB Natrone Means with just over five minutes left in the contest. Montana returned to finish the game as his concussion resolved itself. CB Albert Lewis sealed the victory with his second interception of the game, giving Kansas City its 10th victory of the season. The Chiefs outgained the Chargers, 321 yards to 268, while each team turned the ball over three times. Montana was 18-of-32 for 168 yards with two TDs and one INT, and Krieg completed all four of his passes for 53 yards and a TD. Davis pulled in four passes for 84 yards and a pair of scores. DE Neil Smith had two sacks and a deflected pass, while LB Tracy Simien added a team-high nine stops. The 17-point comeback was Kansas City's greatest since '81, when the Chiefs erased a 17-point deficit for a win over the Raiders.



GAME 14

Neil Smith recorded two sacks to pace the Chiefs defense in a tough win over the Chargers.

Vikings 30, CHIEFS 10

For the third straight year, the Chiefs dropped their 15th game of the season, on the road, to an NFC team. This time the damage was done by the Vikings, who posted a 30-10 victory to keep their playoff hopes alive. In Kansas City's first game as AFC West champions, the club could not overcome turnovers, a powerful Minnesota rushing attack, and an array of injuries. For the second consecutive week, the Chiefs first possession resulted in an interception that led to points for the opposition. K Faud Reviez put the Vikings up, 3-0, with an early 22-yard field goal. The second quarter began as poorly as the first for the Chiefs, who fumbled the ball at their own 31-yard line, setting the stage for a 31-yard TD pass from QB Jim McMahon to WR Cris Carter, giving Minnesota a 10-0 lead. The Chiefs were able to get within seven points at the intermission on a 42-yard field goal by K Nick Lowery with nine seconds remaining in the half. The third quarter was more of the same for the Chiefs as the Vikings drove 73 yards on just five plays to start the new half, and took a 17-3 lead on a familiar 29-yard McMahon-to-Cris Carter TD pass. The Chiefs turned the ball over for the third time on their next possession and the Vikings capitalized once again as Reveiz drilled a 19-yard field goal, making the count, 20-3. The Vikings added 10 more points via a six-yard TD run by RB Scottie Graham and another field goal, giving Minnesota a commanding 27-point cushion with 4:42 left in the game. QB Dave Krieg replaced QB Joe Montana at that point and put the Chiefs into the end zone with a two-yard TD pass to TE Keith Cash with 30 seconds remaining on the clock. The Vikings outgained the Chiefs, 424 yards to 220, with Graham doing most of the damage with 166 rushing yards. Starting RT Ricky Siglar sat out the game with a sore shoulder, and LT John Alt exited early in the second half with a sprained ankle. Four K.C. defensive backs were unable to finish the game because of injuries: S Kevin Ross (hip), CB Albert Lewis (hip), CB Dale Carter (fractured radius) and S Doug Terry (knee).

CHIEFS 34, Seahawks 24

The Chiefs ended the '93 regular season on an up note, turning back the Seahawks, 34-24, for the sixth straight time. The Seahawks scored first on a 55-yard field goal by K John Kasay, then watched the Chiefs tally 24 unanswered points. Following the Kasay field goal, the Chiefs put together a 76-yard, seven-play TD drive that included four straight plays of 13 or more yards, and ended with a 14-yard scoring pass from QB Joe Montana to WR Willie Davis. On Seattle's next possession, S Martin Bayless forced a fumble which DE Neil Smith recovered, setting up a 23-yard field goal by K Nick Lowery. Seattle then went three-and-out, and Kansas City marched 54 yards on 12 plays, scoring on a three-yard run by RB Todd McNair. Trailing by 14, the Seahawks found themselves punting from their own 10-yard line, where CB Albert Lewis tore up the middle to block his 11th career punt. Lewis fell on the ball for his second career TD and a commanding 24-3 lead. Seattle got its first TD on a two-yard pass from QB Rick Mirer to FB Tracy Johnson. Lowery nailed a 47-yard field goal as the half expired, putting the Chiefs up 17 points. Montana was replaced by QB Dave Krieg with 10:04 left in the third quarter, while many other Chiefs starters were also rested. In the fourth quarter, the Seahawks got within three points but a second McNair TD, following a Mirer fumble, gave the Chiefs a 34-24 victory. The Chiefs outgained the Seahawks, 372 yards to 280. Montana was 18-of-28 for 210 yards with one TD and one INT, while Krieg was six-of-11 for 56 yards.

GAME 16

Kansas City's vaunted defense shut down the Seahawks in a season-ending 34-24 victory.

1993 AFC FIRST ROUND PLAYOFF GAME

January 8 at Arrowhead

CHIEFS 27, Steelers 24 (Overtime)

NFL boring? Not at Arrowhead on Saturday, January 8, when the Chiefs upended the Steelers, 27-24, in overtime to advance in the playoffs in the most thrilling fashion. The Chiefs only lead of the game came on the final play, a 32-yard field goal by K Nick Lowery in overtime that gave Kansas City its second postseason victory since Super Bowl IV. The game looked out-of-reach for most of the afternoon, as the Steelers opened up a 17-7 halftime lead. The Chiefs were outgained, 240 yards to 138, in the first half. Pittsburgh QB Neil O'Donnell was on fire, hitting 13 of 22 passes for 186 yards and two TDs. Kansas City QB Joe Montana misfired on his first seven pass attempts and finished the half with just six completions on 15 tries for a paltry 73 yards. Backup QB Dave Krieg filling in for Montana, who had the wind knocked out in the fist quarter, tossed a 23-yard TD to a stretched-out J.J. Birden on his only throw of the day. The Chiefs inched closer in the third quarter on a 23-yard Lowery field goal, then tied the game at 17 on a two-yard run by RB Marcus Allen. The Steelers answered with a 22-yard TD pass from O'Donnell to wide-open TE Eric Green with 4:11 left in the game. The Chiefs then went three-and-out, giving Pittsburgh the ball on its own 48-yard line with 3:00 remaining and a seven-point lead. DE Darren Mickell stopped Steelers RB Leroy Thompson for a four-yard loss, setting the stage for a punt two plays later. TE Keith Cash rejected P Mark Royals punt and WR Fred Jones returned the ball 31 yards to the Pittsburgh nine-yard line. On fourth-and-goal from the seven, Montana magic suddenly appeared and streaking WR Tim Barnett had a TD pass fused to his chest, evening the score at 24 with 1:39 left in regulation. The Chiefs got the ball back 25 seconds later and were in position to win the game, but Lowery's 43-yard field goal try sailed wide right. On the Chiefs second possession of overtime, Montana orchestrated an 11-play, 66-yard drive, setting up Lowery's game-winning kick. In the fourth quarter and OT, Montana completed 15 of 19 passes (78.9%) for 152 yards and a TD. It was Montana's 28th career comeback and his fourth in the playoffs. Cash was simply everywhere, catching a team-high seven passes for 56 yards, blocking the punt and adding one special teams tackle. Allen had 21 carries for 67 yards and a TD, his 11th in postseason play. S Martin Bayless made a team-high 10 tackles and DE Neil Smith contributed two sacks and a forced fumble.

1993 AFC DIVISIONAL PLAYOFF GAME

January 16 at Astrodome

CHIEFS 28, Oilers 20

Few outside the Chiefs organization believed a victory in Houston against the sizzling Oilers was even a remote possibility. For most of the game, it looked as if the Oilers might make the Chiefs their 12th straight victim. Things looked especially bleak after QB Joe Montana was intercepted at the Kansas City 25-yard line with 11:36 remaining in the game and the Oilers up, 10-7. The Chiefs defense limited the Oilers to a field goal, then cleared the stage for another Montana magic act. Kansas City scored 21 points in the last nine minutes of the contest for a 28-20 victory and the club's seventh second-half comeback of the season, the second in as many weeks. The Chiefs defense tied an NFL playoff record with nine sacks, forced seven fumbles, recovering two, and limited the Oilers to 39 rushing yards on 14 tries (2.8 avg.). The Chiefs first drive of the game resulted in an interception that gave Houston the ball at the Kansas City 23. The Oilers came away with just three points but added seven more on their next possession, when RB Gary Brown found his way into the end zone from two yards out. The half ended with the Oilers up 10-0 as the Chiefs missed several golden opportunities to creep closer. Kansas City's defense set the tone in the second half, forcing the Oilers to punt after three plays on their first possession of the third quarter. Montana engineered a seven-play, 71-yard drive that resulted in a seven-yard TD pass to TE Keith Cash, slicing the Oilers lead to three points. After K Al Del Greco cashed in on Montana's second INT of the game with a field goal, the Chiefs heady QB went to work on the Houston defense. A 22-yard pass to Cash, a 38-yard pass interference penalty and an 11-yard scoring strike to WR. J.J. Birden gave the Chiefs a one-point lead on the dizzy Oilers with 8:38 left on the clock. On Houston's next offensive play, LB Derrick Thomas stripped QB Warren Moon and DT Dan Saleaumua pounced on the loose ball at the Oiler 12-yard line. Three plays later, Montana connected with WR Willie Davis for an 18-yard TD and a seemingly improbable, eight-point lead. The Oilers got back within one point with 3:35 left when Moon took his team 80 yards on nine plays and found WR Ernest Givins for a seven-yard TD. Facing third-and-one with just three minutes left, Montana hit Cash for a 41-yard first down at the Houston 29-yard line. On third-and-two at the two-minute warning, RB Marcus Allen broke up the middle for a very-Allen-like 21-yard TD, giving the Chiefs a 28-20 win and a date with Buffalo in the AFC Championship Game. Montana, as usual, was brilliant in the second half, hitting on 13 of 21 passes for 212 yards and three TDs. For the day, Montana was 22-of-38 for 299 yards, and directed his 29th career fourth-quarter comeback. Allen had an exceptional afternoon, rushing for 74 yards and a TD on 14 carries. Birden caught six balls for 60 yards, Davis had five for 96, and Cash four for 80, while each was on the receiving end of a Montana TD pass. The Oilers were limited to just three rushing yards during the entire second half, and the club's seven fumbles were the second-most ever in a playoff game. LB Derrick Thomas, DT Joe Phillips, S Bennie Thompson and CB Albert Lewis each chipped in two sacks.

1993 AFC CHAMPIONSHIP GAME

January 23 at Rich Stadium
Bills 30, CHIEFS 13

The Chiefs knew that they had to stop the run in order to win the game, and the 229 rushing yards the Bills put up was all the explanation needed in a 30-13 AFC Championship Game setback. The Chiefs were playing in their first ever AFC title game, while the Bills were making their fourth straight appearance. Neither team's offense was able to move the ball effectively at the start of the first quarter. Midway through the frame, though, RB Thurman Thomas would start to get on track. His easy 12-yard TD scamper gave the Bills a 7-0 lead, but a pair of field goals by K Nick Lowery, cut Buffalo's lead to one as the first quarter came to a close. The second quarter was all Buffalo as the club scored on three straight possessions, getting a three-yard TD run from Thomas and two Steve Christie field goals. The Chiefs had a chance to cut into the lead as the half ended, but a pass by QB Joe Montana slipped through the hands of RB Kimble Anders, stationed in the end zone, and into the waiting arms of Buffalo S Henry Jones. The Bills led 20-6 at the half as Thomas had already amassed 129 rushing yards. The Chiefs got the ball to open the second half, but three plays in, Montana suffered a concussion and was sidelined for the remainder of a very chilly afternoon. With 2:58 left in the third quarter, Kansas City shaved the Bills lead down to seven points with a 14-play, 90-yard drive that culminated in a one-yard plunge by RB Marcus Allen. Buffalo answered with an 18-yard Christie field goal, then slammed the door for good with a three-yard TD run by, who else, Thurman Thomas. The Chiefs were outgained by just 51 yards (389 to 338), but allowed Thomas to gain 186 of the team's 229 rushing yards. Before exiting, Montana was nine-of-23 for 125 yards and one INT, while QB Dave Krieg was 16-of-29 for 198 yards and one INT. TE Keith Cash was again the team's receiving leader with six catches for 87 yards. DE Neil Smith and S Kevin Ross each contributed 11 tackles.

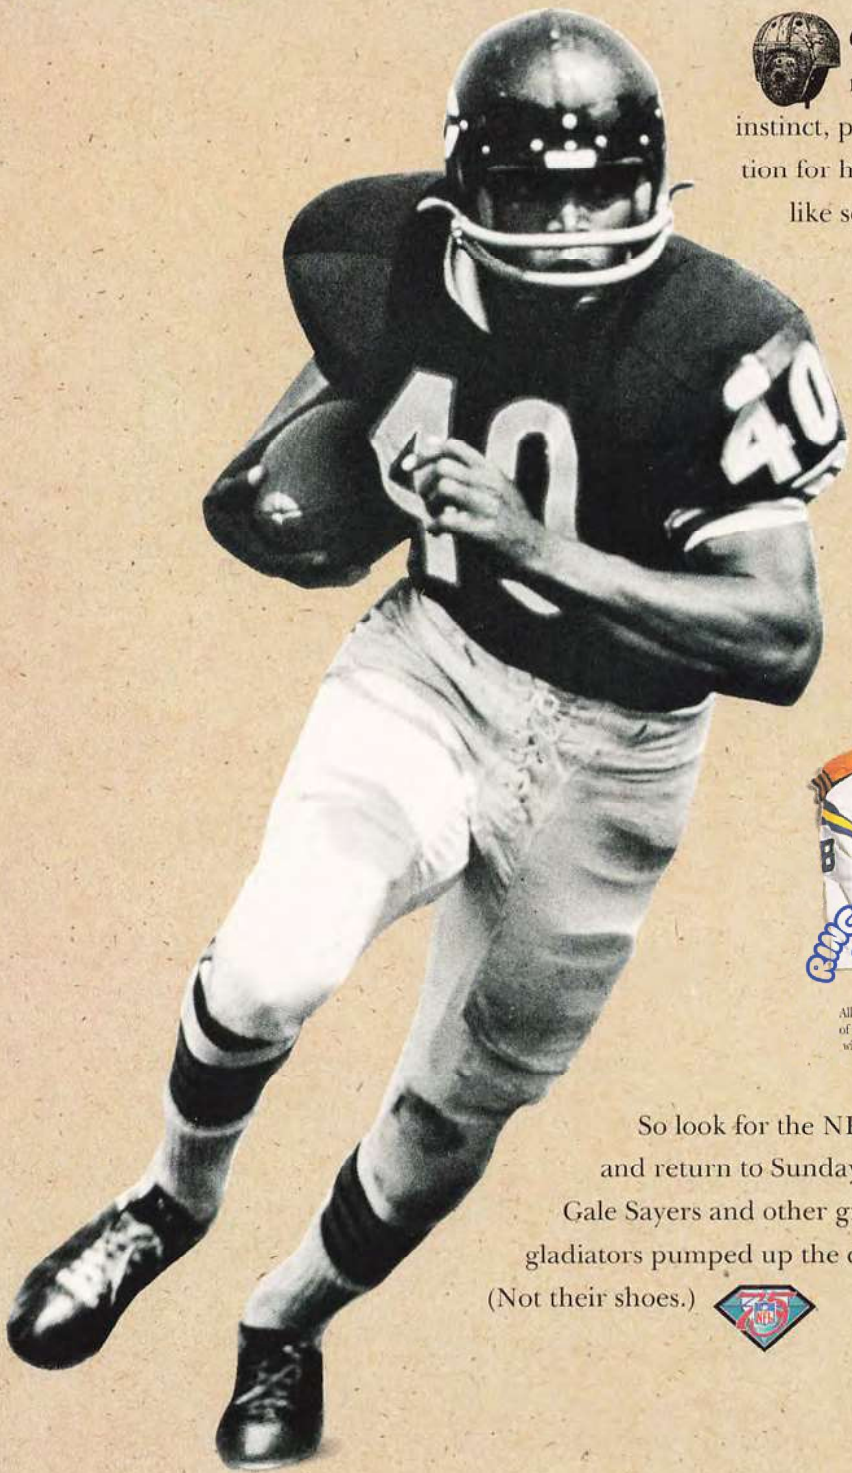
He never pumped up his shoes.



Gale Sayers didn't rely on technology to make his way behind enemy lines. Gut instinct, pure agility, and sheer will were ammunition for his punishing ground attack. Gale Sayers, like so many other iron clad warriors of days gone by, played for love of the game not its glamour. It was a different style of play. A style preserved by Throwbacks —the NFL vintage clothing collection. And this season every NFL team will commemorate the NFL's 75th anniversary by wearing nostalgic game uniforms, jackets and caps during NFL Throwbacks Week.

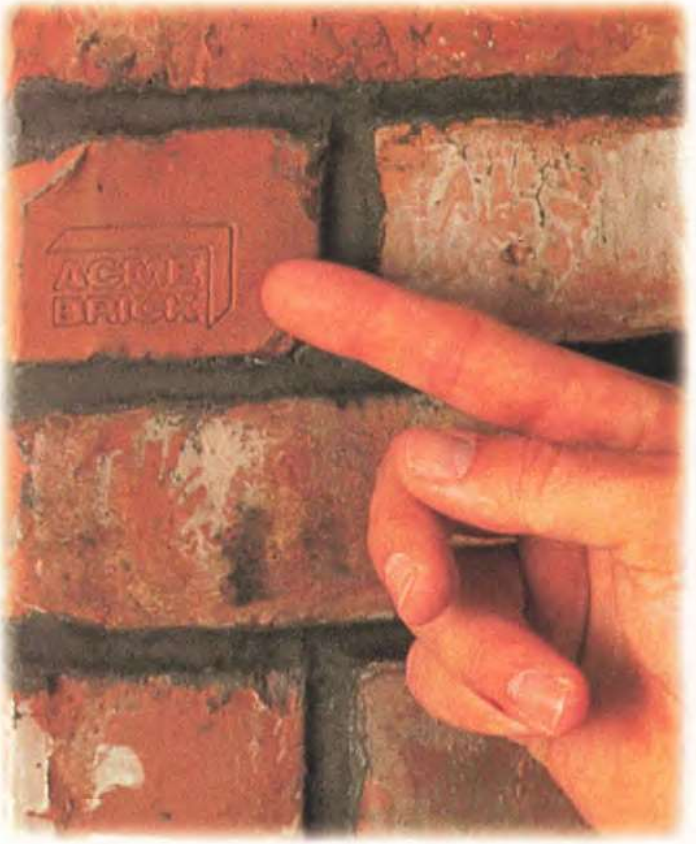
Acme is the first name to look for on your new home.

Finding the right builder is important. But, it's just as important to get top quality, hard-fired brick on your new home. Every Acme brick is hard-fired up to 2,000 degrees for superior quality and for colors that never fade.



Other exteriors such as wood or pressed wood siding simply can't stand the test of time. Our mid-west climate and even insects take their toll on these sidings. Your home's exterior is too important to risk.

While a brick home is slightly more expensive than one built of wood, much or all of this price difference can be saved through lower insurance premiums and lower energy expenses. And you won't face repainting every five or six years. The expense of a single repainting can be as much as your original investment in a brick upgrade.

We hope that you enjoy the exciting search for "the" home, and that the first name you ask to see is Acme. You have a choice in the type of siding used on your home. The right choice is brick. Acme Brick.

Visit your Acme showroom for more information and to see the many choices in brick color and texture.

Remember, if you don't see the Acme name, you're not getting Acme quality. By the way, Troy Aikman did.

The new Lumina comes loaded. But there's still room for six.

Before we designed the new Lumina, we asked literally thousands of people what they were really looking for in a new mid-size sedan. Turns out what they wanted more than anything was, well, everything: the comfort and features usually found only in more expensive cars.

We got the message. That's why the new Lumina comes with a wide range of standard equipment that, not too long ago, would have been thought impossible for a car in its price range.

At the top of the list are dual air bags, an electronically controlled 4-speed automatic, 160-horsepower V6, air conditioning, and a theft-deterrent system.

At the bottom is a price that, even with all the above, most of us can easily afford.

For everything in between, see your Chevy dealer. Ask to take a test drive. And bring a friend. Or five. The all new 1995 Lumina. Starting at $15,995.*
